*Exciting News for the 2011 Winter Festival*

**Lambertville, N.J. – New Hope, PA., Dec. 1, 2010-**

As the holiday season is just around the corner, the 2011 Lambertville- New Hope Winter Festival will begin on Saturday, January 22nd, 2011 and end on Sunday January 30th. The 2011 Winter Festival committee has been very busy over the past year planning and updating our events and activities. Winter Festival offers seasonal activities highlighting the beauty of our twin river town communities in the winter months.

For 2011 Winter Festival has selected POCO to headline this year's annual concert. POCO, best known for their 1979 hit "Crazy Love", will heat up the Stephen J Buck Musical Theater, New Hope PA, on Friday, January 28th at 8pm. This special evening will warm your soul with their soft seventies American country rock style. POCO continues the strong Winter Festival tradition of singer song writer performances. For the past several years, the band has toured performing their original acoustic songs at festivals across the country. This annual live musical performance will be the perfect start to your 2011 Winter Festival weekend. Tickets are available for purchase at [www.winterfestival.net](http://www.winterfestival.net)

## **About Twin River Town Projects;**

Twin Rivertown Projects, Inc. is a 501c Non- Profit Corporation of hard-working and fun loving New Hope, PA and Lambertville, NJ business owners, residents and other good spirited people who live in the area.

We have three goals:

- To provide a healthy, invigorating cold-weather experience in our river town communities
- To demonstrate that our multi-faceted communities are alive and well in the winter months with exciting and diverse activities
- To raise funds and awareness for other local non-profit organizations

We have selected the New Hope, Lambertville, and Solebury Parks and Recreation Departments and local food bank: Fisherman's Mark, as the primary recipients of our proceeds this year. Winter Festival also benefits other community organizations such as Social Services, Schools, Fire, Police and Rescue organizations. Again this year, we are hosting a Food Drive for Fisherman's Mark. Bring a non perishable food item to the festival and place in blue donation canisters located at most festival events and along the parade route.
